Message from the Principal

Dear Hollywood Hill families,

I cannot believe that our year is now at the end. What a remarkable year it has been. I'm so excited to start the year at Hollywood Hill in the fall and be with you all for the full year.

I'm sad to say goodbye to our 5th graders as they have been a hard-working and kind group of students. Our time together at camp was so soggy but so fun! The picnic this week showed what great friends they have become and I can't wait to hear stories about how successful they are in middle school.

For the rest of our students, we have bright days ahead in the coming year. We will continue to focus on being safe, respectful and responsible students who learn each and every day. We will continue to be kind to each other and grow both academically and socially. I know the group of teachers that we have will be dedicated to that work.

I want to say goodbye to **Mrs. Christy Berg** (1st Grade), **Mrs. Annemarie Morton** (SpEd), **Mrs. Maria Cruz Pacini** (Psych) and **Mrs. Rosie Gray** (School Assistant). Mrs. Berg is taking a job at the district office, Mrs. Morton is moving to Spokane, Mrs. Cruz Pacini is going to Kenmore Elementary and Mrs. Gray is retiring. We will have some movement of teachers as well and as that is finalized this summer, I will announce those changes in August.

What I do know now is that this will be what our classes look like next year:

- Two Kindergarten classrooms: Miss Bohlin & Mrs. Morrison
- Three 1st grade: Ms. Limberg, Miss Lamba and Mrs. Henning
- Three 2nd grade: Mrs. Cort, Ms. Kumar and Miss McMains
- Two 3rd grade: Mrs. Zimmerman and Mrs. Killam
- Two 4th grade: Mrs. Knapp and Mr. Archuleta
- Three 5th grade: Mrs. Schock, Mrs. Johnson and Ms. Raleigh
- Three Special Education teachers: Ms. Fleischman, Mrs. Stewart, Mrs. Arch

We hope that you all have a safe summer. Please remember that there are many video games that our students like to play that have risks associated with them. Roblox and others have very limited parental controls and kids can get into trouble on those quickly. Please pay attention to those types of games and keep our students safe this summer.

I will be giving each student a postcard that they can send to the school this summer or drop it off at the beginning of next year—we would love to hear about some fun time that they each are having while they are away. Remember the best way to stay school ready is to read and play games during the summer!

The office will be closed in July opening again in August. I will be on email for most of the summer in case you need anything from us!

Sincerely,
Denise Waters
Principal

Highly Capable Eligibility Information

Highly Capable has created a Landing Page for Highly Capable Qualification Information! This page is intended to provide information regarding this year's process for student eligibility notification to families for the 2018-19 school year.

<https://www.nsd.org/Page/37706>

The Highly Capable Department understands the excitement in receiving a student's Highly Capable qualification notification. We are committed to completing this process as soon as scores are received and a student's portfolio of data has been analyzed. This has been an ambitious undertaking this year and we appreciate your patience.

Lost & Found

This is the final call to come collect any Lost & Found items. Items not claimed by 11:30am on Thursday, June 21st, will be donated to Threads and Treads.

From the Office

Is your family planning on moving over the summer?
